

'Special Offer'

Lockout – The Complete Package!

In order to comply with the lockout requirements of the Occupational Health and Safety Act as well as CSA Z460 Control of hazardous energy; Lockout and other methods. Ontario industries are required to:

- ✓ **Have a Lockout/Tagout Policy**
- ✓ **Have Machine Specific Lockout/Tagout Procedures**
- ✓ **Provide Lockout/Tagout Training**

We provide development of lockout/tagout policies and machine specific lockout/tagout procedures. In addition, we provide lockout/tagout training.

We are offering a ***free, no-obligation assessment*** of your lockout needs and a ***\$100 discount*** on your first order. Simply phone, email, or forward a contact form found on our website.
